

## **Pleasure Thru Plants Instructions**

**Days and Times:** Both locations meet on Wednesdays.

The Senior Center, 2 Renshaw Road, Darien is at 10:00 am.

The Elderhouse, 7 Lewis Street, Norwalk is at 10:30 am

### **Co-Captain Responsibilities:**

Decide Project/Theme: divide responsibilities, purchase containers and flowers

Participants are active so more complex projects can be done including horticultural projects. Demonstrations/ instructional sessions are always welcome!

For containers: Party supply stores, Oriental Trading or spray painted tuna cans.

\*\*Please note that Elderhouse prefers non-breakable containers, as they can break when clients transport them home.

### **# Attendees:**

Plan for about 10-12 participants at Elderhouse and a maximum of 18 at The Senior Center.

### **Confirm your event date with the following contacts:**

Darien Senior Center: Marcy Rand, at 203-656-7490; [mrand@darienct.gov](mailto:mrand@darienct.gov). Elderhouse: April Mattison at 203-455-8493; [recreation@elderhouse.org](mailto:recreation@elderhouse.org).

### **Confirm with your committee:**

Communicate one week prior to assure coverage for your event, ask for help with additional greens or flowers, remind them to bring clippers or other needed supplies. Committee members are responsible for getting their own substitute if needed and they must advise their Co-Captains. Co-Captains can alert Karen Gregorich ([kgregorich29@gmail.com](mailto:kgregorich29@gmail.com)) of any changes.

### **Expenses/Receipts:**

Budget for each session is \$150 for the Senior Center and \$110 (fewer participants) at Elderhouse. Please make every effort to stay within this amount. You can save money by bringing appropriate greens from your own garden, keeping the arrangements small and using painted tuna cans or oasis that you already own. Use the Reimbursement Request Form found on our website - GCD Pleasure thru Plants tab and submit all receipts within 30 days of your

event to Treasurer, Sheryl Lincoln and Karen Gregorich. Remember - making our next year's budget is impossible without knowing how much you've spent this year

**Photos/Newsletter Article:**

Designate someone to take photos at your event and captains (or other) should submit a brief write-up for publication in the GCD monthly newsletter by the 15th of the month after your event. Submit photos and your write-up to GCD Newsletter Editor, Lisa Webb at: [gdnewsletter@gmail.com](mailto:gdnewsletter@gmail.com). **Also, always ask the Directors if certain clients should not be photographed for confidentiality reasons or whether you can record names for publicity reasons.**
